This Order expressly limits acceptance to the terms of this Order and Flextronics hereby objects to any different or additional terms contained in any response to this Order. To the extent that this Order might be treated as an acceptance of Seller s prior offer, such acceptance is expressly made on condition of assent by Seller to the terms hereof, and the shipment of the products covered by this Order (Goods) or work performed by Seller (Services) shall constitute such assent. In addition to the other terms in this Order, this Order expressly includes all implied warranties and all of Flextronics remedies set forth in the Uniform Commercial Code and similar laws in other countries. The terms of this Order are the sole and exclusive terms on which Flextronics agrees to be bound.
2. **DELIVERY.** Time is of the essence in this Order. Delivery of the Goods and performance of any Services shall be made pursuant to the schedule, via the carrier, and to the place specified on the face hereof unless changed by written instructions from Flextronics prior to shipment or performance. Flextronics reserves the right to return, shipping charges collect, all Goods received more than three (3) business days in advance of the specified delivery date or after the specified delivery date. If this Order calls for delivery in installments and Seller fails to deliver an installment on the designated delivery date, Flextronics may decline to accept subsequent installments and terminate the balance of this Order.
3. **SHIPPING INSTRUCTIONS.** Unless otherwise specified on the face hereof, all Goods shall be packaged by Seller in suitable containers to permit safe transportation and handling. Each delivered container must be labeled and marked to identify contents without opening, and all boxes and packages must contain packing sheets listing contents. All Goods shall be shipped on carriers certified compliant with C-TPAT (Customs-Trade Partnership Against Terrorism).
4. **TITLE AND RISK OF LOSS.** Unless otherwise specified on this Order, Goods shall be delivered DDP Flextronics s location designated on the face hereof (Incoterms 2010), at which time title and risk of loss on the Goods shall pass to Flextronics. If any of the ordered Goods are destroyed or materially damaged prior to the time risk of loss passes to Flextronics, Flextronics may cancel this Order as to the destroyed or materially damaged Goods or require the prompt delivery of substitute Goods of equal quantity and quality.
5. **PRICE AND PAYMENT.** The price to be paid by Flextronics for the Goods shall be that stated on the face hereof. Payment terms shall be net ninety (90) days from Flextronics receipt of Goods or, if applicable, acceptance of Services unless otherwise specified on the face hereof. Unless otherwise specified on the face hereof, the price of the Goods includes all shipping charges, taxes, VAT, duties and packaging. Personal property taxes assessable upon the Goods prior to the receipt by Flextronics shall be borne by Seller.
6. **INSPECTION.** Flextronics shall have thirty (30) days from the date of receipt of the Goods for inspection and acceptance testing. Any Goods not rejected during that initial 30-day period shall be deemed accepted.

lesser of any defective-part-per-million specified in the Order or more than zero point three per cent (0.3% = 3000 DPPM s) from the same defect or more than zero point five percent (0.5% = 5000 DPPM s) from cumulative defects, Seller shall prepare a plan for diagnosing and addressing the problem and will be responsible for all costs incurred by Flextronics and its customers in rectifying such failures, including, without limitation, for engineering changes, testing and field-recovery costs, as well as for all damages.

8. ITEMS FURNISHED BY FLEXTRONICS. Seller agrees to indemnify, defend and hold Flextronics and its customers harmless from and against any and all claims, actions, losses, expenses, damages, penalties, fines, liabilities and settlements arising from any actual, alleged or threatened third-party claims relating to (a) any infringement, misappropriation or violation on the part of Seller s Goods or Services of any third party s patent, copyright, trade secret, mask work, trademark, trademark rights or any other intellectual property right, (b) personal injury or property damage caused by the Goods or Services, (c) defects in the Goods or Services which amount to a breach of Seller s warranties in Section 7 or 15; (d) breach of Section 16, or (e) as a result of any negligent or reckless act or willful misconduct of the Seller.

10. CHANGES. Flextronics may, by purchase order amendment issued to Seller, change (a) the method of shipment or packing, (b) the drawings, designs, or specifications, (c) the place of delivery, or (d) the shipment date. Seller shall promptly inform Flextronics of any modifications to the delivery schedule necessitated by the changes. If any Goods are designated non-cancelable/non-returnable (NCNR), Flextronics may reschedule the delivery of any NCNR Goods at any time up to the time of shipment for a period of up to ninety (90) days beyond the delivery date, and Flextronics shall not have any liability for any costs associated with such rescheduling. Within three (3) days from receipt of a purchase order amendment, Seller shall notify Flextronics in writing of any increase or decrease in the cost of performance caused by a purchase order amendment and provide supporting documentation. Flextronics shall make an equitable adjustment in the Order to reflect valid cost variances due to the changes requested by Flextronics. Seller shall advise Flextronics in writing of any foreseeable part shortages, and shall advise Flextronics not less than one (1) year in advance of any changes that might affect Seller s ability to accept Flextronics purchase orders.

11. TERMINATION AND REMEDIES. Flextronics may terminate this Order in whole or in part at any time by written notice to Seller, even Orders in which Goods are designated as NCNR. Seller will thereupon immediately (a) stop work on the cancelled Goods or Services; (b) notify its subcontractors to do likewise; (c) cancel orders for components for the cancelled Goods or Services; (d) return unneeded components for cancelled Goods to their suppliers or divert such components to jobs for other customers; and (e) otherwise mitigate all non-returnable, unneeded components for cancelled Goods or Services. Seller shall not be entitled to compensation for cancelled Goods. Except for termination due to default or delay of Seller, Seller shall be entitled to commercially reasonable compensation for NCNR Goods on hand at the termination date as follows: Flextronics will purchase (a) finished Goods at the Order price, (b) work-in-process Goods at a reasonable pro-rata percentage of the finished Goods Order price and (c) custom components for the cancelled Goods, which Seller properly ordered and was not able to cancel, return, or otherwise mitigate using diligent efforts within ninety (90) days after cancellation, at Seller s cost for such custom components. The total compensation paid by Flextronics for such cancellation shall not exceed the price on the Order for the cancelled Goods. In the event that Flextronics breaches its obligations under this Order, and fails to cure within a commercially reasonable time after receiving written notice of such default, Seller s sole and exclusive remedy shall be to receive direct damages for the Goods in question as if such Goods were cancelled, computed in the manner set forth in the fourth sentence of this section. In no event shall Seller be entitled to indirect, incidental, consequential, special, or punitive damages or loss of profit, for Flextronics s breach of the terms and conditions of this Order, or for any other act or omission occurring as a result of Flextronics breach of its performance obligations under this Order.

12. WAIVER. No claim or right arising out of the breach of this Order by Seller can be discharged by a waiver of the claim or right by Flextronics unless the waiver is supported by consideration and is in writing signed by Flextronics.
